

Table 3: GA at Birth between the patients with the appropriate gestational age (AGA) in the studied groups

	Case Group	Control Group	p-value
	No (56)	No (65)	
GA at Birth (Weeks)			
Mean \pm SD	38.8 \pm 1.17	38.9 \pm 1.4	0.619

P value >0.05: Not significant, P value <0.05 is statistically significant, p<0.001 is highly significant., SD: standard deviation
